

Your Legacy Can Help Families Thrive With a Planned Gift

What is a Planned Gift?

A planned gift is a commitment you make today to leave a portion of your estate to Roots Ethiopia in the future. It costs you nothing now, but it ensures Roots Ethiopia can grow with strength, planning boldly and sustainably to support families and children for years to come.

Simple Ways to Give

You don't need a large estate or a team of advisors to make a planned gift. Many supporters choose one of these easy options:

- Name Roots Ethiopia in your will (for a specific amount or percentage).
- Designate Roots Ethiopia as a beneficiary of a retirement account or life insurance policy.

Legal Language You Can Use

Here's sample wording you can share with your attorney or financial advisor: "I give [percentage, dollar amount, or asset description] to Roots Ethiopia, a nonprofit organization located in Madison, Wisconsin, EIN #46-1527090, for its general use and purpose."

We're Here to Say Thank You

Roots Ethiopia cannot offer legal or financial advice. We encourage you to consult your financial advisor or attorney to determine the best planned giving option for you.

If you've included us in your estate plans, please let us know. We'd be honored to thank you during your lifetime.
